lists aren't why I made this

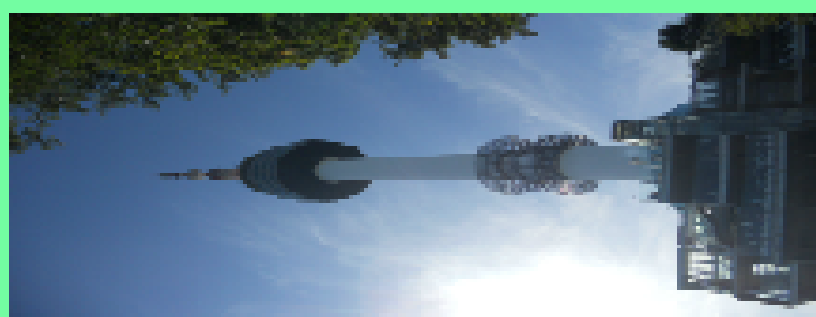

**I just
wanted to
say.....**

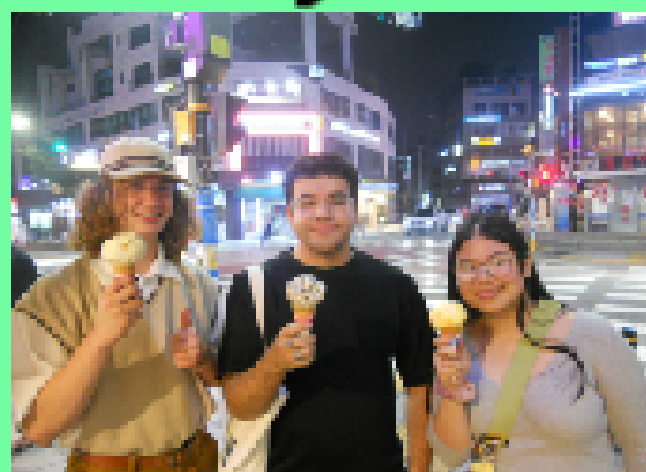

**because I'm giving
this to you:**

**it means i care about you
and really value our
friendship**

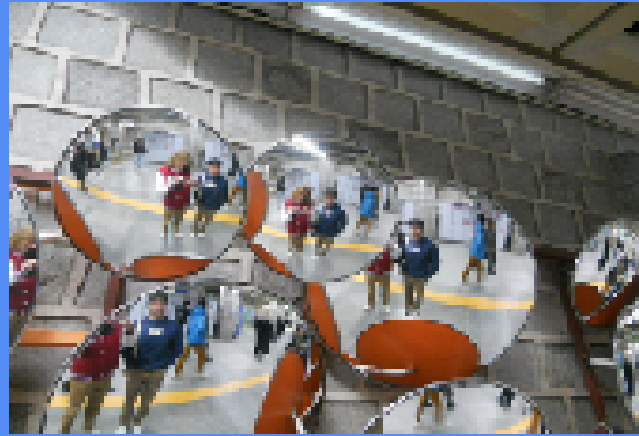

**I'm still me and you're still you
just a lil different**

**it'll take a bit to get back into the
rythm of it all...**

**\\but in time it'll be even better than
before**

**if there was
one
takeaway**

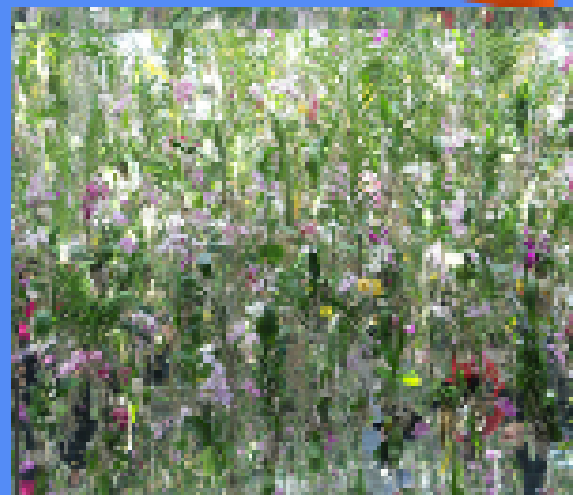

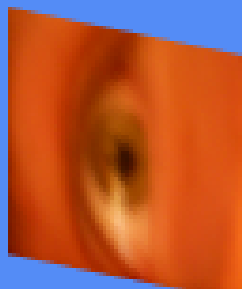

**you don't need to travel the world
to find happiness**

**your problems follow you
everywhere**

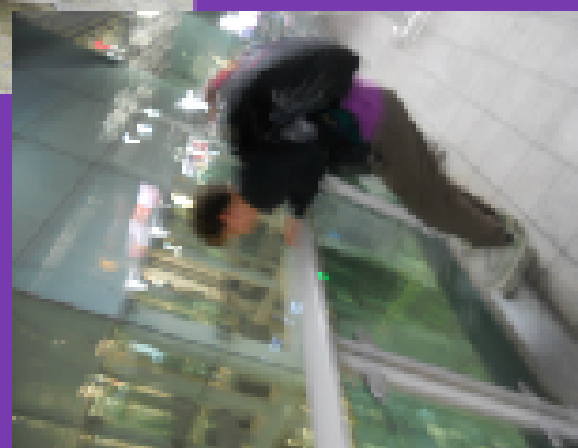

**and having good people in my
life is one of the only things
that's important to me**

**I'm really thankful for my
time away this year**

**but i'm so excited for all
the memories we'll make
together now**
